

WYATT FARM

One hundred years ago or more, neighborhoods were created with a common thread, a respect for detail, and in harmony with the surroundings.

Nestled in rolling hills, surrounded by wandering paths, threaded with tree-lined streets, and graced with a beautiful pond, Wyatt Farm would like to welcome you back to that place in time: a community in the making.

Homes are available from the low \$200's.

Directions:

To visit Wyatt Farm, take Route 460 W Bypass around Blacksburg. Turn right onto N. Main Street (the last Blacksburg exit on 460W), then take the second left onto Vinyard Avenue. Look for our sign on your right.

Homes equipped with Hurd Windows from Timber Truss Housing Systems, Inc.
